At Jones River interview night Janet Welch
said to H.S. - "Gossline has said that he
saw you either in Dr. Runey's house or the
scene of the murder that night." To which
H.S. replied "I cannot understand it.
I was not there"

One of guests asked by Grant in presence
of Welch "What is your religion" I
replied "Protestant"

Hand here - 9/15/22.
